THE FIRST ASSIGNMENT

Turn this in by midnight Wednesday the first week of class.

[Submitted it to Canvas in Discussions Group 11, See the New Syllabus for more detailed instructions](#)

[You will be dropped if this is not submitted on time : \(](#)

If this assignment is not submitted on time I will assume you do not want the class and will drop you!

ABOUT YOU

I prefer to talk to people rather than faces (or e-mails). If you would tell me a little about yourself I would feel much more at home and can try to have the course match your needs and interests.

What class is this?

Your name? Your whole name, American name, nickname, . . .

Major?

Current school (If not PCC)?

Next school?

Physics classes you have had?

Class, Teacher, when (include high school)?

Highest math course you have had or are taking, by name!

Other Science background?

Computing background?

Work experience?

What limits your time (how many units, work, married, children, support parents, church activities, campus activities, sports,...)?

Native language?

How well do you understand English?

Spoken (by me, if you have heard me):

Written (in textbooks or tests):

TO HELP US FIND FUTURE STUDENTS:

Why are you taking this course (must, love it, . . .) ?

Why are you taking the course here at PCC?

How did you hear of the course at PCC?

TO FIND YOU:

To help in getting in touch with you in case we have courses,
jobs, etc of interest to you.
